The best song i've heard in a long time. Amazing truthful absolutely truth touched my heart and soul. Carol

Just listened, and I mean listened. Provided a little escape from the constant thinking about everything. I truly enjoyed it. Like soft rain on the water. Thank you very much. Christy

Stopped what I was doing, poured myself my first cup -- and listened... Thank you, Travis. Bruce

Crazy that it would feel good to make people cry but some folks can't cry until someone like you T., hits that note and their heart softens. Wasn't it William James who said..... " first tears come, then we know we are sad". Sure beats anger...I said that! Kerry

This is my song.. Reached deep into my soul. Brenda

Travis is wonderful at what he does! Love it Jean

Genius Paula

Lots of depth, but simple, & stays in your head afterward! Aaaamen! Makes you think. I love it!
Bruce

Talent beyond belief!! SIMPLY AMAZING! Krissy

Used to think only Vince Gill could sing ballads!!! You are great Travis, love your songs,
music and voice.. Mimi

Bravo!! Jean

IAM CRYING , YOU ARE SO GOOD Betty

Brings me peace Arwyn

Solace for the soul Elizabeth

Just keep playing please Vicki

Elegant. Zak

Bravo, Bravo! James

Beautiful song! Sad...I can really relate. Susan

The controlled intensity in his singing and the abandon in his playing is a wonderful
combo.. Shawn

Travis does this beyond beautifully Eayan

As all the others i've listened to, I love it, Pam

Lovely....soothing and beautiful. Judith

This was so powerful and so true. It really touched me Sandy

This is wonderful lyrics, this has put emotions to some similar situations in my life.
Danny

He really sung that song from his heart Carolyn

This song is very emotional and beautiful Joan

Wow, just WOW! Pam

What a "strong message" delivered in lyrics. John

Masterful expression of such powerful truth Lela

Just O MY GOSH Pansy

Dude... Just Dude... Such a strong way to say it Julie

Beautiful.Damaged souls and hope Teresa

I need to listen to more! Mary

Woo, great stuff, Ed

Townes was a national treasure, and your cover honors his memory and gives it new life. Bruce

Really awesome Cher

It brings to mind certain scenes of my life,..I love it! Lori

Genius Adina

Great playing and a great voice Peter

This guy is AWESOME! Rodeny

Beautiful...I imagine the sentiment touches a lot of hearts reminding them of someone...it does mine. Barbarra

Place honest vulnerability as the beautiful thing that it is. Scott

I do not remember her (my date) being as excited as she was explaining to me the quality of the 4 finger independent picking Travis performed on the guitar. Charles

Can hear his heart cry! Gloria

I agree with Wendy". Travis is a poet like a Leonard Cohen, with a smooth, easy voice and romantic charm of a Tony Bennett, vivid, memorable songwriting craft of a Bob Dylan, sprinkle in some Guy Clark and layer all that on piano chops in a league of their own. He is an original."

Travis ... The musician, the poet, the vocalist, pianist, the extraordinary person Paula

Hit so close to home for me. Sandy

Beautiful song, with a lot of meaning.. Elizabeth

Powerful lyrics Alexa

Wow! Fantastic! Sherry

I could envision the sun rising...Sue

Do yourself a favor. Listen to this. Listen to the words he sings. Then listen to how he sings them. I pray that someday, I can write a story this moving.

Maybe. Someday. Wayland Long, Author
